**TENANT COMMANDS:** NAS Fort Worth JRB is home to:

- ★ U.S. Navy – Two Navy aviation Wing staffs, a Navy Reserve Air Logistics squadron operating C-40A Clippers, Navy Reserve Construction Regiment and Battalion, and in intermediate level maintenance facility in support of the Navy's Aviation Enterprise.
- ★ U.S. Air Force – F-16 Fighter Wing and the 10<sup>th</sup> Air Force Headquarters
- ★ U.S. Marine Corps – A Marine Air Group with two aviation squadrons flying the F/A-18 and KC-130 aircraft and several subordinate units along with a Marine Corps Regiment Headquarters
- ★ U.S. Army – two Army Reserve Aviation support commands
- ★ Texas Air National Guard – C-130 Airlift Wing facilitates airlift missions for state, regional, national, and global engagements. The 136<sup>th</sup> is the primary hurricane evacuation component for the Gulf Coast.

**PARTNERSHIPS:** The NAS Fort Worth JRB Regional Coordination Committee (RCC) was the result of a Joint Land Use Study completed in 2008, organized to enhance and maintain intergovernmental cooperation and open communication regarding developments impacting the base's mission. The RCC encourages compatible land use planning, conducts community outreach, and participates in military affairs. It also serves as a clearinghouse for development patterns in western Tarrant County, allowing participating entities to brief each other on significant projects that may cross jurisdictional boundaries.

**OUTLOOK:** With surplus hangar and ramp space, NAS Fort Worth JRB can accommodate an increase in both active duty and joint reserve missions. As the largest joint reserve operation in the county, NAS Fort Worth JRB prides itself in its ability to transform its operational confines to meet the needs of all military branches. NAS Fort Worth JRB's versatility and strategic location at the center of the country enhances its role as an integral player in the military's defense posture.
